

Dear Tracey

Please find attached a draft Annual report and Accounts for the Saywell Causeway Charity account for 2016, the trustees have not met for some time and so these will be adopted at their next meeting.

I am sorry but I will not be able to attend the Annual Parish meeting this year as I will be away during the day and may not get back in time; Rev Sheila also has a prior meeting and also sends her apologies.

The other two charities balances are as follows in case someone asks:

Blanche Prentice:		
account Balance dec 31 2016	£165.89	Including Interest of £0.12p
account Balance dec 31 2015	£165.77	
St Thomas Charity		
current balance	£587.22	

They have been dormant for many years and when I get a view from the Charity Commission we propose winding them up and transferring the funds to other similar local charities

Kind regards

---

Mike Bateman
